Commissioner for Patents

Mr. Shoemaker contacted the Examiner on 8/24/05 in regard to the "Exhibit A" referred to in the 8/8/05 After Final Amendment. Upon reviewing the file, the Examiner finds that this Exhibit is present in the case. However, it does not change the Examiner's position that Fuller would provide for an acceptable HVOF system, since as discussed in the Advisory Action, the Examiner has indicated Browning, US 5,330,798, as showing an HVOF system that would correspond to that described in Fuller.
